

GROW YOUR NETWORK

Would you like to grow your network of professional contacts, raise your visibility and continue the career development of your own employees?

If the answer is **'yes'**, please join us at the launch of the Association for Business Psychologists' (ABP) Corporate Membership offering. ABP board members will explain how your business might benefit from membership while you also enjoy an informal evening of networking.

To book your place or enquire about further details either visit theabp.org.uk or contact admin@theabp.org.uk
